

STUDENT SATISFACTION SURVEY

The feedback from the students is obtained after the Mid Semester Tests twice in a semester. The feedback received from the students on academic issues is conveyed to the concerned faculty member through respective Head of the Department. The Identity of the student is not disclosed while filling the online feedback. The complaint / suggestion boxes are installed at prominent locations in the institute. The complaint / suggestion boxes are opened from time to time and feasible suggestions are implemented. There is the complaint registrar in the library where students can register their complaints regarding library.

As far as feedback on overall functioning of the college such as learning environment of the college, hostel facility, training and placement facility, canteen facility, medical facility, counseling center, sports facility, infrastructural facilities etc. is concerned. The feedback regarding learning environment of the college is taken online through feedback Performa attached below without disclosing the identity of the students.

Remarks

Save

The students provide their feedback/suggestions or the problems faced by them to the concerned class in-charges during class/meeting. The feedback received from the students on hostel facility, training and placement facility, canteen facility, medical facility, counseling center, sports facility, infrastructural facilities etc. is conveyed through respective Head of the Department to the final Authority for necessary corrective action.

However as far as the feedback of students on overall institution performance in the form of questionnaire is concerned. The institute has designed the Student Satisfaction Survey (SSS) Questionnaire as attached below to take the feedback from the students on overall institutional performance.
